Alternative Retail Services

Need stamps? It's easier than you think. The U.S. Postal Service® offers convenient options to purchase your favorite stamps.

Buy stamps online – It's “Quick, Easy, Convenient™.” Stamps are just a couple of clicks away using the internet and the Postal Store.® You can buy stamps by price, subject, or type and have them delivered to you in just a few days. There is a small handling fee to prepare and ship your order. Shop at usps.com/holiday.

Buy stamps at an APC™ – The new Automated Postal Center® (APC) is a state-of-the-art, self-service mailing kiosk that helps you conduct most retail transactions, including sending packages and letters, buying stamps and searching for a ZIP™ Code. 2,500 of these award-winning ATM-like machines have been deployed in Post Office™ locations across the country.

Buy “Stamps By Mail®” – You don't have to leave your home or office if you order your stamps by mail. Just request an order form from your Postal carrier or local Post Office, and then order stamps for delivery directly to your home.

Buy stamps at your local Post Office – In addition to offering stamps in many non-postal locations such as grocery/convenience stores and ATMs, we have extended hours at many Post Office locations to serve your mailing and shipping needs this holiday season. Find a Post Office at usps.com/holiday.
