

U. S. Postal Service: Delivering Today's Holiday Needs

Send a very green message this holiday season. All Postal Service packages and envelopes meet the highest environmental standards for recyclability.

Express Mail®

The fastest service for time-sensitive letters, documents or merchandise. Guaranteed next-day and second-day delivery nationwide or your money back-365 days a year.* Contents are automatically insured to \$100 against loss or damage. Signature proof of delivery and tracking information are available upon request.

Express Mail International®

Send documents and packages around the world at competitive prices with service guaranteed to select destinations.* Arrives within three to five business days to major destinations. Pay postage online with usps.com/clicknship and receive an 8 percent discount.

Global Express Guaranteed®

GXG is the premium international shipping option from the U.S. Postal Service with international transportation and delivery by FedEx Express. GXG offers date-certain delivery in one to three business days to more than 190 countries worldwide. GXG is available at thousands of participating retail locations throughout the United States. Global Express Guaranteed® provides a money-back guarantee.*

Shipping supplies for Express Mail and Priority Mail services are free at usps.com or by calling 1-800-ASK-USPS. Packages and envelopes are 100 percent recyclable and exceed all EPA environmental standards.

*Some restrictions apply

Priority Mail®

Provides delivery of documents and packages in an average of two to three days and is delivered to every address in the United States - including PO Boxes and military addresses.

Priority Mail International®

Priority Mail International (PMI) is an airmail service that provides customers with a reliable and economical means of sending correspondence and merchandise up to 70 pounds to over 190 countries and territories worldwide. Delivery time is six to 10 business days to major destinations. Receive a 5 percent discount on postage paid online through usps.com/clicknship.

Flat-Rate Shipping

The best value on the market. Flat-rate boxes and envelopes allow customers to send anywhere in the U.S. for the same low price. Use flat-rate boxes and envelopes available for Express Mail and Priority Mail. Ship letters or packages in an average of two to three days with Priority Mail Flat Rate Envelopes and Boxes. For one low rate, ship as much as can be properly secured in a Flat Rate envelope or box to any U.S. destination. Saturday and residential deliveries at no extra cost.

International Shipping

International shipments may be subject to Customs examination in the destination country. Customs forms are required. Check requirements at usps.com or your local Post Office.
