Package Services - Instructions

Use this form for Package Services including Bound Printed Matter, Library Mail, Media Mail, Parcel Post, Parcel Select, and Parcel Return Service.

Step 1: Complete Mailer and Mailing sections on page 1 applicable to the mailing presented. For all sections not applicable, enter N/A.

Step 2: Determine which part(s) to complete for your mailing, as follows: Parts A - Bound Printed Matter (BPM) Flats or Parcels, Part B - Library Mail and Media Mail, Parts C, D, & E - Parcel Select and Parcel Post, or Part S - Extra Services.

Step 3: Complete applicable part(s) as follows:

Part A: Nonpresorted BPM is charged a per-piece price based on weight and zone. Enter applicable per-piece price in "Price" column. Multiply per-piece price times corresponding number of pieces and enter in "Total" column.

All pieces must be reported on the appropriate line at the full published price (not including the Full Service Intelligent Mail incentive). Pieces that comply with the Full Service Intelligent Mail option requirements are additionally reported on the line provided.

Permit Imprint mailings, round off to four decimal places; *Postage Affixed* round off to three decimal places. Add line-item totals and enter sum in Part A Total box. Do not round.

Presorted and Carrier Route BPM are charged a per-pound price and a per-piece price. Note: For pieces weighing one pound or less, calculate per-pound postage for a one pound piece.

Permit Imprint: Enter corresponding per-piece price for all zones in column one. Multiply applicable per-piece price times number of pieces per zone and enter in "Pieces Subtotal" column. Compute per-pound postage by multiplying the unrounded weight of a single piece (one pound per piece, minimum) times the number of pieces per zone; enter result in "No. of Pounds" column. Multiply the applicable Pound Price times the number of pounds. Do not round. Enter result in "Total" column. Add line-item totals and enter sum in Part/Total box. Do not round.

Postage Affixed: Compute per-pound postage by multiplying unrounded weight of a single piece (one pound per piece, minimum) times applicable Pound Price for the zone. Do not round. Add per-pound postage to applicable per-piece postage. Round this number up to next tenth of a cent (three decimal places). Enter (rounded) postage amount in column one ("Amt. Affixed") and multiply times corresponding number of pieces. Enter result in "Total" column. Add line-item totals and enter sum in Part/Total box. Do not round.

Parts B-E: These categories of mail are charged a per-piece price.

Permit Imprint: Multiply number of pieces times applicable per-piece price. Round each result off to four decimal places. Add the products and enter in "Total" column. Add line-item totals and enter sum in Part/Total box. Do not round.

Postage Affixed: Compute applicable postage for a single piece. Round up to next tenth of a cent (three decimal places). Enter single-piece amount(s) in appropriate line in "Price" column; multiply times corresponding number of pieces; enter result in "Total" column. Add line-item totals and enter sum in Part/Total box. Do not round.

Part S: Extra Services are charged a per-piece price.

Permit Imprint: Multiply price for requested extra service(s) times number of pieces. Enter result in "Total" column. Add the line-item totals and enter sum in Part S Total box. Round off to four decimal places. Add line-item totals and enter sum in Part A Total box. Do not round.

Postage Affixed: Multiply price for requested extra service(s) times number of pieces. Round off to three decimal places. Enter result in "Total" column. Add line-item totals and enter sum in Part S Total box. Do not round.

Note: Add postage for extra services to individual postage amounts in Part A - D; round up sum to next tenth of a cent (three decimal places) and affix to piece(s); or include total postage for extra services in "Net Postage Due" (p.1).

Step 4: Go to Postage section on page 1. Place a check mark in the appropriate box(es) to show which part(s) you have completed. Add the postage from the Part/Total box for each completed section; round off to the nearest whole cent (two decimal places); enter sum in Total Postage.

Step 5: Read and sign Certification section, including your telephone number. Attach all completed pages together to submit with the mailing. (Do not include blank pages.)

Information: For more information on mailing standards, prices, and fees please go to Postal Explorer at pe.usps.com.
