With Every Door Direct Mail service, you can reach every home, every address, every time.
According to BizReport 2010, up to 85% of a store's customers come from a 5-mile radius. Now you can reach every address in the area surrounding your business – with Every Door Direct Mail® service. How does it work? You pick the neighborhoods you want to reach, and a Postal Service™ Letter Carrier takes your printed pieces to every home while delivering the day’s mail. It’s a powerful, cost-effective way to market to the customers that matter most. Get started today by visiting usps.com/everydoordirectmail

Now you can tell the whole neighborhood what your business has to offer. With Every Door Direct Mail service from the U.S. Postal Service®, you can reach the market that matters most to your business: nearby neighborhoods. Postage is as low as 14.5¢ per piece – and you don’t even need to know names or street addresses. You simply identify the neighborhoods you want to target, and your printed piece is delivered with the day’s mail to every address.

Every Door Direct Mail adds the power of mail to your marketing mix. No matter what marketing channels you’re using, mail gives you a one-to-one connection with consumers that’s hard to match. They can read your mailing when time permits, keep it for future reference, and share it with others who might be interested. The Little Book of Bigger Returns (Royal Mail Group Ltd. 2011) found that mail boosted ROI by 20% when it was part of an integrated campaign. Mail also helped increase the lift of local ads by 44% and online campaigns by 62%.

Two options: Every Door Direct Mail – Retail® and Every Door Direct Mail.

- Every Door Direct Mail – Retail. Most local businesses choose this service. It’s our simplest, most cost-effective option. Every Door Direct Mail – Retail lets you send up to 5,000 mailpieces per day and doesn’t require you to purchase a postage permit. What’s more, you can take your mailings right to the front counter of the Post Office® that serves the neighborhoods you want to reach. You can pay for postage with cash, check, or debit card.
- Every Door Direct Mail. This option is designed for businesses that want to send larger mailings. You submit your mailing at a Business Mail Entry Unit (BMEU).
