INFORMED DELIVERY AS A MARKETING CHANNEL

Business mailers and shippers can engage users through an integrated mail or package digital marketing campaign that generates additional consumer impressions, interactions, and insights.

**Save Advertising Dollars**
Informed Delivery campaigns provide a **free marketing channel** for businesses to promote custom messages. Brands can elevate their hardcopy mail campaigns by pairing them with a digital experience at no additional cost.

**Expand Reach and Boost Engagement**
Campaigns allow brands to generate **additional digital impressions** for intended recipients. **With over 62M active users and a 62.9% email open rate**, Informed Delivery provides brands an opportunity to reach an already engaged audience.

**Gain Customer Insights and Data**
Brands can leverage campaign data to **gather insights on how customers interact with the brand**, along with key performance metrics (i.e., open rates, click-through rates).

**Elevate the Customer Experience**
Customers can **take action on their mail piece immediately**—regardless of whether they retrieve mail from the physical mailbox. This in turn allows brands to see results faster than with traditional mailer campaigns.
