B. USPS Action

- **USPS EMPLOYEE:** Please scan upon pickup or receipt of mail. Leave form with customer or in customer's mail receptacle.
- If postage has not been paid on line with Click-N-Ship or other PC Postage, inform the customer that you can only accept pre-paid items. Process articles using existing Click-N-Ship/PC Postage procedures.
- Employee scans the PS Form 5630 using the Mobile Data Collection Device (MDCD scanner). Note: MDCD scanners must be used to scan barcodes. POS ONE scanners are not yet programmed to accept this barcode.
- Employee verifies the package volume count on the shipping notice.
 - If the volume on the shipping notice matches the volume being collected from the customer, the employee should make the **1:YES** selection by pressing the number 1 on the keypad of the MDCD scanner.
 - If the volume on the shipping notice does not match the volume being collected from the customer, the employee should make the **2:NO**. If the volume does not match, the mail should still be collected and dispatched as normal.
