A self-supporting government enterprise, the U.S. Postal Service is the only delivery service that reaches every address in the nation, 150 million residences, businesses and Post Office Boxes. The Postal Service receives no direct support from taxpayers. With 36,000 retail locations and the most frequently visited website in the federal government, the Postal Service relies on the sale of postage, products and services to pay for operating expenses. Named the Most Trusted Government Agency five consecutive years and the sixth Most Trusted Business in the nation by the Ponemon Institute, the Postal Service has annual revenue of more than \$68 billion and delivers nearly half the world's mail. If it were a private sector company, the U.S. Postal Service would rank 26th in the 2008 Fortune 500.

B Holy Family

The **Holy Family** stamp celebrates the Christmas season with a scene from the Nativity story.

C Holiday Baubles

D Madonna of the Candelabra by Raphael

The 2011 **Christmas** stamp features a detail from a work by the Italian master Raphael. This tondo (circular painting) dates to around 1513 and is now in the collection of the Walters Art Museum in Baltimore, Maryland.

A With this colorful stamp design, the U.S. Postal Service celebrates Kwanzaa, a non-religious holiday that takes place over seven days beginning each year on December 26 and ending January 1.
